Basis for Intervening:
Vermont Electric Power Company, Inc. ("VELCO") and Vermont Transco, LLC ("VTransco") respectfully request to intervene in this proceeding in accordance with Commission regulations. VELCO is a "transmission only" company formed to provide electricity to Vermont's local electric utilities by creating and maintaining an interconnected electric transmission grid in Vermont. VTransco owns the principal electric transmission facilities in Vermont. Therefore, VELCO and VTransco have a substantial interest that may be directly affected by the outcome of this proceeding. No other party can adequately represent VELCO's and VTransco's interests and the public interest will be served by VELCO's and VTransco's intervention. Wherefore, VELCO and VTransco respectfully request that the Commission grant this Motion to Intervene in this proceeding.
